

LADY of FATIMA COUNCIL 824

ANNUAL REPORT

The past year has been very good for our council. The year started immediately after the election with the formation of the Committee for "That Man is You A Man After God's Own Heart". This program has been very positive for our council and everyone who has attended it. We have an average of 33 to 45 men attending every Saturday morning at 7:15 AM until 9AM. With the guidance of the Committee and Fr. Danny Wilson, this program has been a great success.

In late October / early November 2006 a float committee was formed for participation in the Charlottetown Christmas Parade. In this endeavour we were joined by other Councils, i.e. Holy Redeemer, Covehead, and Bishop MacEachern 4th degree Knights. There were eight floats with religious themes and our float finished a close 2nd in the parade.

In December our Council helped the Religious Education Program at St. Dunstan's with a fundraising play at the Church. The Knights were very visible in their presence wearing their vests, taking the donation collection, singing, and helping to set up props. In December we also had our annual turkey draw with approximately \$800.00 being raised and then distributed to different charities.

Part II of This Man is You was stated after Christmas and has several more weeks before wrapping up for this year.

In February we initiated a free basketball program for youth at Murphy's Community Centre. We also hosted a Free Throw Tournament, with Holy Redeemer; approximately 40 children. We also hosted the District Championship.

Now we are trying to get ready for Divine Mercy Sunday.

We are currently handling the signing of new members to our Council and we are presently in the midst of planning a benefit concert for a member of our parish.

We have had a very busy year and great spiritual growth as Knights of Council 824! God

Bless All
